Monthly Consulting Report

Exclusive and Custom Competitive Advantage for \$400

Honest professional advice in an inside competitive track. We'll tell you what others won't.

Features of Our Monthly Reporting Service

The Monthly Report includes ad and marketing copy review, objective recommendations, and information about upcoming opportunities, events, offers, and trends in advertising and marketing.

Every firm, at every level, benefits from competitively sourced ideas and execution plans.

The Benefits:

- *A neutral and objective review avoids confirmation bias*
- *Independent knowledge of what competitive firms are doing*
- *Access exclusivity per zip code and practice area*

Expanded Options Available

The Monthly Plan is the popular option through which competitive firms often begin their relationship with Lone Star Content Marketing. Consulting time can be narrowly tailored to specific needs and objectives.
